Dear Dr. Kedar,

On behalf of the Boca Raton Synagogue, we would like to thank you for joining us for Parshas Shemot as our Scholar-In-Residence. Your classes educated and enriched our community regarding the pressing issues in Israel and gave us insight pertaining to the challenges she faces with the changing Middle East.

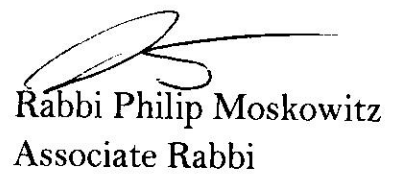

We are very grateful to Ken & Rachel Elkin for sponsoring our incredible Shabbas Learning and for providing Shabbas Hospitality for you as well.

It was an honor to have you in our community and to learn from you. We look forward to future visits.

Most Sincerely,

Rabbi Efreim Goldberg
Marah D'Asrah
